

S-280

Postage Machines

Created for Growing Businesses

Join us on

NEOPOST

Send.Receive.Connect.

Instant Stamps. Exact Rates. Professional Image.

The Neopost IS-280 is the perfect postage machine for up and coming businesses, offering sophisticated features in a compact package. No more queuing at the Post Office. No more guessing the correct postage. No more running out of stamps. The Neopost IS-280 can be re-credited online with postage, 24 hours a day, 365 days a year.

Accurate Pricing

The IS-280 comes loaded with all postal rates, giving you the exact price for all its services. The integrated 2 kg digital weigh platform accurately sets the machine to the correct value so there's no risk of over or under stamping. Calculating the correct postage is easy with our on-screen rate wizard.

Easy-to-use

Shortcut keys give quick and easy access to frequently used settings. The IS-280 also comes with easy-to-install, high speed LAN connection for rate change updates.

Make Your Mark in Style

With the IS-280, you'll enjoy a more professional image and free advertising. You can easily customize your mail message to include your company name, special greetings or marketing slogans.

Postage savings

In many countries, according to local postal rules, as an IS-280 user, you will automatically receive a discount on every item of mail you send.

Maximum comfort

Its compact design, dedicated to the desktop environment, saves space for the user. Its large display offers ease of use when navigating through different menus.

Because sustainability matters...

True performance isn't only about fast machines and efficient business processes. It's also about being just as innovative when it comes to sustainability. At Neopost, we've been implementing tangible, high-impact initiatives that cover every level of our business. This includes smarter recycling, reduced energy, valuable research partnerships and lower-impact shipping. We've also been achieving the most esteemed standards and certifications in the world, including the prestigious Energy Star label.

Why Choose Neopost?

Neopost is a global leader in mailing solutions, shipping services and digital communications. We believe that people are the key to business success. That's why our products and services are tailored to help your organization improve the quality of its interactions and bring people closer together.

In this age of multichannel communications, we guide and empower you to interact in new and innovative ways. We advise you on how to create cost-cutting synergies. And we deliver global coverage with a strong local presence, offering you continual support by phone, onsite or online.

Today, Neopost is present in 31 countries and has a network of partners in more than 90 countries. We promote responsible business and sustainable development through our products and outreach programs. And our 6,200 employees worldwide are committed to making your interactions more responsive and more powerful - offering you a competitive edge that will open up a wealth of business opportunities.
