BM 60/61 booklet maker

A compact and user friendly booklet maker for hand feeding or connection to a collator.

The BM60/61 booklet maker from Morgana is a compact and simple to use machine for booklets up to 88 pages of 80gsm paper.

The machine comes in two formats, the BM 60 is for hand feeding only, whilst the BM61 is equipped with a side jogging unit and can be connected to the C/AC 510 collator to give more automation to the booklet making process.

These versatile machines are able to saddle staple and fold up to 22 sheets of paper and can also be used to side staple or corner staple documents. Booklets with loop staples can also be produced by simply changing the stapling head.

The BM61 can take sheets from 200 X 270mm to 305 x 440mm. Various functions can be engaged or disengaged from the operator panel: manual mode, automatic mode, stapling off, or folding only, or folding off for stapling only. An additional beltstacker can be fitted to the delivery for longer runs of booklets.

Up to 1800 booklets per hour can be produced from this well proven and sturdy machine. The BM60/61 is a market leader with this entry level product.

Key product features:

- 1800 booklets per hour
- Saddle staple and fold
- Up to 88 page booklets on 80gsm stock
- Side and corner staple
- Media weight : 60gsm - 250gsm
- Booklet sizes from A4 to A6 (BM60 only)

Squarefold 104

The Morgana Squarefold 104 adds increased value to your booklets by giving them a professional, perfect bound look with the security of a stapled finish. This revolutionary device can be used as a hand fed unit, attached to the BM60/61 booklet maker or linked to a wide range of traditional and digital finishing devices.

Added advantages of Squarefolded books are much less packaging capacity and the ability to print onto the spine of thicker booklets. Booklets from landscape A4 to A6 size can be produced on this versatile simple to use machine.
