NeoCUBE

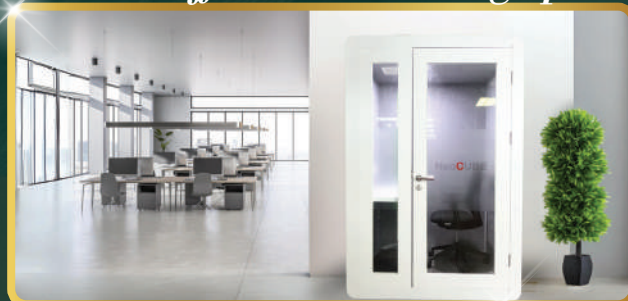

## Private Office Pod

### Unveiling Innovation & Comfort Features ...

NeoCube Private Office Pod is a specially designed, compact space within a bustling environment. It serves as a private, self-contained area where individuals can work, have meetings, or conduct tasks without the distractions and noise commonly found in open area.

NeoCube is equipped with essential features such as soundproofing materials, comfortable working space, and electrical connectors for meetings and individual work, creating a conducive environment for productivity.

### MAXIMIZING EFFICIENCY AND WELL-BEING WITH NEOCUBE...

#### Personal Space

In busy open offices, NeoCube assure private, interruption-free conversations.

#### Improved Productivity

Help boost productivity with soundproofing, dedicated spaces, and comfort.

#### Easy Installation

Custom-built, durable NeoCube parts ensure fast and seamless installation.

#### Noise Cancellation

Noise-cancelling tech for private, interruption-free meetings and tasks.

## Best Features of NeoCube

**Modification**  
Easy to install & reassemble.

**Waterproofing**  
Protects wooden surfaces against leaks, mold & vandalism.

**Downlight**  
Downlight 12W - 6000K MPE brand.

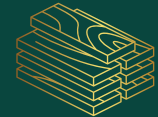

**Tempered Glass**  
Transparent protective thick tempered glass.

**Sound Protect**  
9mm sound-absorbing foam.

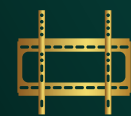

**Fan Cover**  
Panasonic fan 24V, FV-15TGU1.

**Recycled Wood**  
Using recycled MDF wood for an eco-friendly design.

**Connectors**  
Light switch, Lan CAT 6, Schneider brand, Zencelo A.

**Bracket**  
TV screens can be use in the area.

**Mobile Wheels**  
Movable with load capacity of 100kg/wheel.

**Carpet**  
Milliken carpet Remix 2.0 collection.

**Ventilation Grille**  
Aluminium ventilation grille 80 x 200mm.

## Innovative Applications of NeoCube

### Production Area/Factory

NeoCube in production areas create quiet, focused spaces amid noise and distractions for enhanced concentration.

### Open Concept Office

NeoCube provide confidential space, quiet areas for focused work and meetings, addressing challenges in open spaces.

### Shopping Mall

NeoCube can attract professionals who need a workspace, potentially increasing foot traffic and sales for nearby businesses.

### Hospital

NeoCube offer privacy for hospital visitors to work or communicate while awaiting appointments or updates.

### Restaurant

NeoCube provide a quiet and dedicated workspace for remote workers, freelancers, or individuals who want to dine while working.

### Bar

Amid the bar's lively ambiance, customers can comfortably take important meeting calls without disruptions in the NeoCube.

## Elevating Silence

### NeoCube's 30dB Sound Reduction

A normal conversation registers at about 60dB. Imagine yourself in a room with many people talking and discussing; you might find it challenging to focus on your work when it requires minimal distraction from the surroundings.

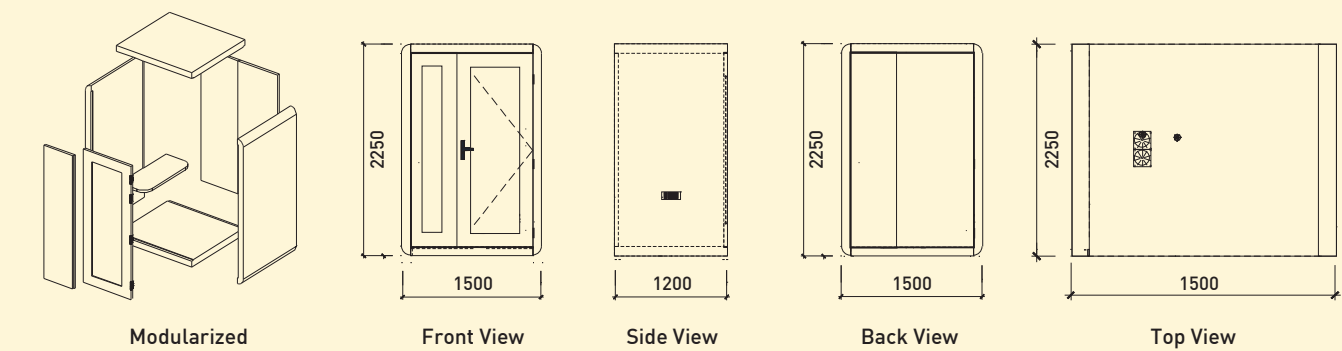

When inside NeoCube, you can experience a significant reduction in noise levels from the outside environment by approximately 30dB. With a four-layer wall structure, NeoCube effectively absorbs both external and internal noises using the soundproof materials integrated into the structure.
