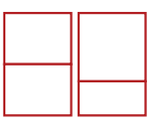
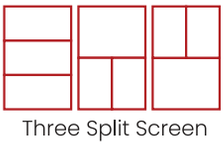
PNG MP4 JPEG

Remote Publishing SMART Split Screen



Dual Screen



Three Split Screen

Unlimited configuration

Web/Online/ Android/USB

NeoSmart Billboard comes with an Android and Windows platform. Upload your content via Mobile App, PC or USB and publish them according to your arrangement. Control what you display remotely at anytime and anywhere.

Display your contents, promotions or advertise Anything, Anytime, Anywhere...

NeoSmart Digital Billboard are bright, modern and dynamic. With the glass tempered screen, metal case and touch screen function, our Digital billboard have been designed to grab attention of passersby to your business.

The profesional brightness and colour vibrancy of NeoSmart Digital Billboard makes images and videos really stand out on screen. By replacing print communications, you can reduce ongoing costs for things like paper and ink, not to mention being more eco-friendly by saving all of those materials and waste.
